Bedding (bed sheets, pillow, etc.) is **NOT** provided by Norwich University. New international students will need to bring bedding with them or purchase it upon arrival in the United States. Please note that there are no stores in Northfield which sell bedding.

Students may purchase bedding from the Uniform Store at Norwich University, during the off-campus portion of orientation or online and have it delivered to the university.

The International Center will assist students with ordering bedding through the Uniform Store if they select OPTION A on the following page. Students will receive this bedding during check-in at the International Center. The cost of the bedding will be added to their Norwich bill.

Students who choose to purchase bedding online may have it delivered to the International Center for pick-up on Orientation Arrival Day. The bedding should be ordered no later than Monday, August 8, 2016 so it will arrive prior to the student's scheduled arrival date. It should be addressed to the address below so the International Center may take possession of it.
